### GARDEN GAME DIRECTIONS:

1. Cut out the game spinner arm (Fun Sheet—1) and attach it to the game board flower (lower left) using a metal brad.
2. Cut apart the game pieces (Fun Sheet—1) and have each player select one. Players choose any space to start on.
3. Fill a square container with candy pieces. Take pieces and add pieces from the box which spaces you land on.
4. The youngest player starts the game by spinning and moving the game piece the number of spaces shown on the spinner. Follow the directions on the game board. Players continue by taking their turns and moving in either direction.
5. The game ends when the person in the center of the tree is covered with candy pieces.
