*Cut the handouts apart on the solid line and fold on the dot-
 ted lines to form a cool Funky Kid pocket. Your Kid Funk will
 hold all the Funky Kid handouts you'll get this quarter.
 To make a hanger, fold the top of the pocket forward on the
 dotted line. Lay a length of yarn along the fold, then glue the
 top flap closed. Tie the yarn and your pocket is ready to hang
 in the car, on the fridge or from a doorknob.*
